SCHEDA TECNICA - FICHE TECHNIQUE - TECHNICAL DETAILS

Scheda Tecnica

STRUTTURA - Struttura portante in abete massello e pannelli in agglomerato o multistrato.

IMBOTTITURA SEDUTE - Poliuretano HT 35 kg/m³ + fibre di poliestere super soft.

IMBOTTITURA SCHIENALI - Poliuretano 21 kg/m³ + poliuretano 25kg/m³.

PIEDI - Piede tubolare metallico disponibile nei colori: Antracite, Sabbia, Bianco.

SOSPENSIONI - cinghie elastiche incrociate.

MECCANICA SCHIENALI - Meccanica schienali Avanti/Indietro manuale (versione elettrica non disponibile).

*Le dimensioni di tutti i divani non possono essere precise in ragione della natura stessa dei mobili imbottiti.

Una tolleranza del 3% in più o in meno sulle misure indicate nelle vostre schede tecniche o listini è da considerarsi di rigore.

*La ripartizione dei colori non è modificabile.

**Sconsigliamo di utilizzare il pouf quadrato come elemento d'angolo poichè il motivo delle cuciture non corrisponderebbe.

Fiche Technique

STRUCTURE - Structure portante en bois sapin massif et panneaux agglomérés ou multicouches.

GARNISSAGE ASSISES - Mousse polyuréthane HT 35 kg/m³ + fibres siliconées super soft.

GARNISSAGE DOSSIERS - Mousse polyuréthane 21 kg/m³ + mousse polyuréthane 25 kg/m³.

PIEDS - Pieds tubulaires métalliques disponibles dans les couleurs: Anthracite, Sable, Blanc.

SUSPENSIONS - Sangles élastiques entrecroisées.

MECANIQUE DOSSIERS - Mécanique Avance/Reculé manuelle (version électrique pas disponible).

*Les dimensions hors tout des canapés ne peuvent pas être précises en raison de la nature même des meubles rembourrés ou matelassés.

Une tolérance de 3% en plus ou en moins sur les mesures indiquées sur vos fiches techniques ou tarifs est de rigueur.

*La répartition des couleurs n'est pas modifiable.

**Nous déconseillons d'utiliser le pouf carré comme un élément d'angle car le motif géométrique des coutures ne correspondrait pas.

Technical Details

STRUCTURE - Frame in solid fir wood with plywood or multilayer.

PADDING FOR SEAT - Polyurethane foam HT 35 kg/m³ + polyester super soft.

PADDING FOR BACK - Polyurethane foam 21 kg/m³ + polyurethane foam 25 kg/m³.

FEET - Tubular section metal feet available in: Anthracite, Sand, White.

SUSPENSIONS - Elastic crossing belts.

BACK MECHANISM - Manual mechanism forward / backward (electric version not available).

*The sofas dimensions may have a little tolerance of +/- 3 %, cause of the their nature made with soft material like foam.

*The distribution of colors can not be changed.

**We discourage from using the square ottoman as an angle since the geometric pattern would not correspond.

SU MISURA NON DISPONIBILE
SUR MESURE PAS DISPONIBLE
CUSTOMIZED NOT AVAILABLE

DENSITÀ DIFFERENTI DI GOMMA NON DISPONIBILI
DENSITÉS DIFFÉRENTES PAS DISPONIBLES
FOAM IN DIFFERENT DENSITIES NOT AVAILABLE
